

INTRO

WEAREHOUSE is slowly but surely dancing its way to its sixth edition, and boy will it be one to remember. This year's theme is as robust as it is glitzy, so start spraying thick layers of fairy dust on your dancing gear, because A DESERT DREAM will open vast expanses of new ideas, outfits, foods and other treats. Let's stride towards a brave new universe somewhere between the heavens and soft sands of Zeebrugge.
